

Innovations COUNSELING

Helping You Get Control of Your World

February 18, 2016

Clients of Innovations Counseling:

On February 29, 2016, Innovations Counseling will be closing its doors for the last time due to medical illness. With this in mind, it is important that you seek out an alternative therapist as soon as possible to avoid any lapses in your care. In order to facilitate this transition, helpful information has been included to find a therapist and for future contact or records. We apologize for the unexpected nature of this announcement and for any inconvenience that it may cause you.

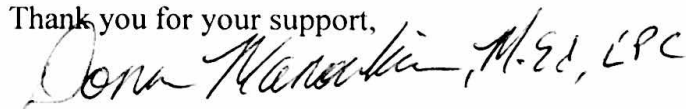

How to find a therapist:

1. Contact your insurance company by phone or check out the “find a provider” section of their website.
2. Go to www.psychologytoday.com and click on Find a Therapist. Enter your zip code and then choose from the menu on the left side for therapy issues, insurance providers as well as other criteria.
3. There are several individuals and groups of therapists in this professional building who have been contacted and have stated they are accepting new clients. These are listed below:
